

RoHS CERTIFICATE

Directive **2015/863/EC (RoHS3)** relating to the restriction of the use of certain hazardous substances in electrical and electronic equipment was adopted in 2015 by the European Union.

On the basis of the information **given by our suppliers, EMSFACTORY certifies**, unless otherwise expressly requested by its customer before ordering or during its execution or that the customer has configured in its nomenclature a component that does not comply with the directive, the Products delivered **comply with the RohS directive**.

Compliance means that our substrates do not contain concentrations higher than those set by the directive for the following substances:

- Lead (0.1%)
- Mercury (0.1%)
- Cadmium (0.01%)
- Hexavalent chromium (0.1%)
- Polybrominated biphenyls (PBB) (0.1%)
- Polybrominated diphenyl ethers (PBDE) (0.1%)
- Diisobutyl phthalate (DIBP)
- Bis-(2-ethylhexyl) phthalate (DEHP)
- Benzyl butyl phthalate (BBP)
- Dibutyl phthalate (DBP)

EMSFACTORY relies on information from its suppliers and takes all reasonable measures to confirm suppliers' declarations, but EMSFACTORY does not conduct any chemical analysis of the components and materials purchased.
